***The Holy Father's General Intention for November – That a spirit of dialogue, encounter and reconciliation emerge in the Near East, where diverse religious communities share their lives together.***

**PRAYER FOR VOCATIONS**

Lord, make me a better person, more considerate towards others, more honest with myself, more faithful to You. Make me generous enough to want sincerely to do your will whatever it may be. Help me to find my true vocation in life and grant that through it, I may find happiness myself and bring happiness to others. Grant, Lord, that those whom You call to enter the priesthood, diaconate or religious life, may have the generosity to answer Your call, so that those who need Your help may find it.

We ask this through Christ Our Lord.

**Amen**

**Pray for them**

**Catholic Education Service Campaign for Parents' Rights:** The Welsh Government wants to take away the rights of parents to withdraw their children from both Religious Education and Relationships and Sex Education. They also want to dumb-down the subject of RE and force schools to teach children about worldviews instead. The Catholic Education Service is asking Catholics to contact their Assembly Member and demand that the State does not usurp parents' rights to decide how they teach these sensitive topics to their children. You are encouraged to contact your AM to register your objections and demand that the State does not interfere with parents' rights to decide how this sensitive topic should be taught to their children. To read more about this, please visit the Catholic Education Service's website at: [www.catholiceducation.org.uk](http://www.catholiceducation.org.uk)
